BLOCK WATCH NEWSLETTER **APRIL 2015**

The warmer weather will bring about more outdoor activity. This is the time that the Block Watch members need to use their “extra eyes and ears” to alert the police department of suspicious activity. If you take walks in your neighborhood, whether it is morning, afternoon, or evening, take along a cellular phone. The cellular phone would allow you to contact the police if there is a problem. These problems could include a person following you, disorderly person(s) damaging property, reckless drivers in your neighborhood, or a personal medical emergency.

Be alert to suspicious vehicles in the area, they may be scouting the area for easy thefts. If you hear a dog barking, don’t discount this “alarm”. The dog is barking at something. Someone may be in your garage, shed or vehicle. Look out the window.

If you are having a yard sale, put your sale items away from garages, backyards, etc. Some people that come to yard sales sometimes “shop” to see what you have in your garage and backyard. They then come back when you are not home and steal these items. Don’t let anyone into your house to use the bathroom. Sometimes a person will use the excuse that a small child has to use the bathroom. Once they are in, anything can happen.

Whether working in the garden, having a yard sale, mowing your grass, playing in the yard with your kids, “LOCK THE DOOR TO YOUR HOUSE!!” It only takes a second for someone to slip into your home.

Help the police department help you, call on suspicious activity.

Please remember to share with others.
